

induction Annealing

Hengxin Science and Technology Limited

Hengxin is experienced in Induction Heating Machine and Induction Heating Power Supply, induction heating equipments can be used in induction heating service, induction heat treatment, induction brazing, induction hardening, induction welding, induction forging, induction quenching, induction soldering induction melting and induction surface treatment applications
<http://www.hengxinkeji.com>

Induction Annealing is a heat treatment in which material is exposed to an elevated temperature and slowly cooled.

Induction Annealing of the material changes physical properties of the material such as strength and hardness.
